Dear PCMH Contact:

Because there are no changes or updates to the *Specifications for the CAHPS PCMH Survey*, NCQA will not issue a 2016 version of the specifications.

Organizations should use the 2014 *Specifications for the CAHPS PCMH Survey* for HEDIS 2016 reporting. An updated timeline for survey administration and data submission will be provided to NCQA-certified survey vendors at training.

If you have any questions, please submit them through the NCQA Policy Clarification Support (PCS) system which can be accessed through the NCQA Web site at <http://my.ncqa.org>. Thank you!

Sincerely,
