Dear PCMH Contact:

Because there are no changes or updates to the *Specifications for the CAHPS PCMH Survey*, NCQA will not issue a 2015 version of the specifications.

Organizations should use the 2014 *Specifications for the CAHPS PCMH Survey* for HEDIS 2015 reporting. An updated timeline for survey administration and data submission will be provided to NCQA-certified survey vendors at training.

If you have any questions, please submit them through the NCQA [Policy Clarification Support \(PCS\) system](#). Thank you!

Sincerely,

A handwritten signature in black ink, appearing to read 'Cindy Ottone', is positioned above the typed name.
