Medicare Health Outcomes Survey Instructions

This survey asks about you and your health. Answer each question thinking about yourself. Please take the time to complete this survey. Your answers are very important to us. If you are unable to complete this survey, a family member or “proxy” can fill out the survey about you.

Please return the survey with your answers in the enclosed postage-paid envelope.

Sample Questions:

- Answer the questions by putting an ‘X’ in the box next to the appropriate answer category like this:
  
  56. Are you male or female?
  
    1  Male
    2  Female

- Be sure to read all the answer choices given, before marking a box with an ‘X.’

- You are sometimes told to answer some questions in this survey only when you have answered a previous question. When this happens, you will see an italicized instruction like the one below:

  If you answered "yes" to question 33 above (that you have had cancer),

All information that would permit identification of any person who completes this survey will be kept strictly confidential. This information will be used only for the purposes of this study and will not be disclosed or released for any other purposes without your permission.

If you have any questions or want to know more about the study, please call [vendor name] at [toll-free number].
